Stocare Solax: la monofazat este un acumulator de 5,8 kwh inalta tensiune, la trifazat sunt doi acumulatori de 3 kwh cu BMS (6kwh)

Stocare Deye: doi acumulatori de 5,12 Kwh sau un acumulator de 10,24 Kwh

TVA 9%, Acumulatori 19%

Tablou de curent continuu: doi separatori cu fuzibil si un descarcator de cc, pentru fircare string. Cutie ABB IP65, cu presetupe pt fiecare cablu

Tablou de curent alternativ: inrerupator automat curba C, Valoarea curetului difera in functie de puterea invertorului, Cutie ABB, IP 65, cu presetupe.

Panourie fotovoltaice sunt de la Jinko Solar, Canadian Solar, Trina Astro Eenergy, cu eficienta mai amre de 22,52%
